OUT ON BAIL.

Mr. James Johnakin, of whom mention was made yesterday, who had been sent to jail for six months upon a charge of having taken brasses from the New York, Philadelphia and Norfolk railroad, has been admitted to bail.

Mr. Johnakin says that the Justice sent him on to court Thursday for trial. Friday morning he called at the jail and told him (Johnakin) that he had reconsidered his former decision, and that he would allow him to go upon the payment of \$20 fine. This he refused to pay, because he was innocent, so he took an appeal. He seems very much hurt that such a charge should have been made against him, when he has been with the Seaboard Air Line for fifteen years and no charge has ever been made against him before.

AN IMPUDENT THIEF.

Yesterday morning Mr. Emmett Davis, a butcher in the city market, whose stall is at the head of the market-house, near the hucksters' market, had just received a large order for one of his customers. While he was waiting on some one at his stall a thief sneaked off and carried the box and contents off. When Mr. Davis went to look for his meat it was gone. Nothing had been heard from him since.

This is what might be called cool impudence for a man to steal in such a public place where people are passing all the time.

FIVE DOLLARS TAMED HER.

Mention was made a few days ago about a colored child finding a pocket-book and giving it to a woman named Delaney Watts. When the charge was made against her she kicked up high about it. She cursed and abused every one who said anything. She was arrested and was fined \$5 and costs. This tamed her and she went off like mad that she was when she came into court.

Park View, Portsmouth, Va., July 23rd, 1899.

Messrs. J. B. Shipp & Co., State Agents: Gentlemen—I bought some three months ago two of the Champion Burners and Gas Generators—one for heating my house, I am perfectly delighted. For cooking there is nothing to equal it. It bakes perfectly. As to roasting, it is just what I needed. It is the thing and does all your printed circular claims. Can recommend it to all housekeepers. My husband has one in his dental rooms in Norfolk for distilling water, and is highly pleased with it.

Respectfully,
MRS. J. D. ENNIS.

We keep every shape of collars. Let us sell you your collars. Chas. R. Welton & Co.

HOW MR. BRUCE CAME TO BE SHOT.

Nat Pearson, Owen and Rodger Houghton Were the Boys Who Did the Shooting—What They Have to Say.

"Our party," said Pearson, "had been out in a boat fishing, near the West Norfolk bridge. We came in between 12 and 1 o'clock a. m., intending to land at Penno's bathing pier.

"When within a few feet of the landing steps we saw an object in the shadow of the pier, which we couldn't make out. It was coming toward us, splashing up the water and squirting water out of its mouth. We were badly frightened.

"I rose up in the stern of the boat, saying, 'I'm going to shoot it,' suiting the action to the word. I fired at a distance of fifteen feet.

"The swimmer said nothing and made no sign that he was hit, but came on toward the boat. I was ready to fire again when Penno ran along the pier shouting 'that's mine, that's mine.' A moment afterwards Mr. Bruce reached out and grasped the side of the boat, saying, 'I beg your pardon, that shot wasn't intended.' I grabbed hold of his arm and tried to assist him into the boat, but he said, 'let me go; I'm all right.' He then swam to the landing and walked upon the pier, while I went to look for a doctor.

The boys have been recognized to appear before Justice Bunting July 31. It is hardly probable that anything will be done with them, as the whole thing was a mistake and no intention was shown by the boys to do any one harm. They did not know what it was, and being frightened, could scarcely have told had they been nearer.

As the season has well advanced, the boys have been looking for what summer stock he has on hand, and our readers are always in search of bargains. It would be well for them to scan our advertising columns and see just what is going on, and what is being offered. We have secured that whatever you find advertised through these columns is not misrepresented.

Emmett Deans announces in another column a great reduction in seasonable goods. To obtain these bargains you must call to-morrow (Monday, July 24th). His Monday specials are very popular, as he always gives the public some great bargains on that day.

If you want books to look off to the springs or country, or if you intend to remain at home, Anderson & Thompson have a large supply of good reading matter. See ad.

The Grand Company tells you that that great clearing out sale will last only two days more, and then the goods will be marked back to former prices. If you fail to call on them you will have cause to regret the same. See ad.

(Communicated.)

Miss Mabel V. Pollard, a handsome and highly accomplished young lady, who has been spending the past month in our midst inhaling the pure mountain air and deriving great benefit from the medicinal qualities of the celebrated "Ding Bats" Spring water, has returned to her home in Port Norfolk, with the regret of all those happy fortune it was to know her, which meant a blow that proved striking to all and fatal to many. The only consolation that we have is, that she will return next year, but it is more than probable that some of our monotonous years will find their way down in Tidewater Virginia before 1900. Come again, Miss Mabel, and we'll give you a hearty greeting.

C. S.

BERKLEYS BACKED DOWN.

About two weeks ago the "Ding Bats" baseball team went over to Berkley to have a game of ball with the team in that city (the Berkleys) on promise that they would return the game on this side of the river. The "Ding Bats" have been trying for some time to get them over, but they have backed down, their excuse being that the diamond at Columbia Park is not in good condition. The old adage says that a poor excuse is better than no excuse. This seems to be the case with the Berkley team, as other teams now play on the diamond and consider it in good condition.

MAY BE A DISEASE BREEDER.

The Seaboard Air Line has a mud machine at work cleaning out a dock on Parker's wharf, and the mud is being thrown up on the side. Mayor Baird sent for Sanitary Inspector Marden yesterday morning, but that officer reported that permission had been given by the Board of Health for the work to be done. The dock has not been dredged for years, and refuse of all kinds has naturally accumulated there, and having it exposed to the sun at this time of the year may breed disease.

SERVICES AT TRINITY CHURCH.

The Rev. R. S. Coupland, of Covington, Ky., will conduct the services and preach in Trinity Church to-day.

South Street Baptist Church, Rev. J. W. Mitchell, pastor—Sunday school at 9:30 a. m. Preaching at 11 a. m. and 8 p. m. The Rev. Mr. Vandeventer, of Georgia, is expected to occupy the pulpit. Mr. Vandeventer is a distinguished divine. All are cordially invited to hear him.

FUNERAL OF A LITTLE CHILD.

The funeral of little Frances Virginia Cleaves took place yesterday afternoon at 5 o'clock from the residence of her parents, No. 317 Edinburg street. The services were conducted by Rev. Mr. Beadles, after which the remains were interred in Oak Grove Cemetery.

RECEIVED THEIR APPOINTMENT.

Capt. E. W. Owens and Lieutenant Leigh have both passed a successful examination as Captain and Lieutenant of the Portsmouth Rifles, as will be seen by the following letter:

Commonwealth of Virginia,
Adjutant-General's Office,
Richmond, Va., July 21, 1899.

Capt. Edwin W. Owens,
Commanding Portsmouth Rifles:

Sir—I have the honor to inform you that Lieutenant Leigh and yourself have passed your examinations held yesterday, and I herewith inclose your certificates.

Respectfully,
H. NALLE,
Adjutant General.

The company will soon be mustered into service.

SUNDAY AT Y. M. C. A.

There will be two meetings of special interest at the Y. M. C. A. this afternoon. One at 4 o'clock for men only will be conducted by Rev. L. R. Christie. Mr. Christie was formerly one of Portsmouth's highly respected young men and is now pastor of Spurgeon Memorial Baptist Church, Brambleton. He is an energetic, competent and practical speaker, deeply interested in young men and the association work. His subject is, "The Relation of Faith to Salvation." All men invited to hear him. Prof. Dunbar will lead the singing.

At 5 o'clock a lively meeting of the Boys' Gospel Army will be held.

BASEBALL IN SCOTTSVILLE.

The Scottsvilles and Athletics crossed bats in Scottsville, the result being 9 to 3 in favor of the Athletics. It was a very nice game throughout, the features being the pitching of both pitchers and the batting of Bradley and Saunders; also the playing of Houghton in left field, accepting every chance without an error. Below is the score:

R.H.E.
Scottsville .. 0 0 0 0 0 1 2 0—3 6 5
Athletics .. 1 1 1 1 0 0 3 0—9 5 3
Umpires—Burkett and Edmonds.
Time of Game—Two hours.

DEATH OF MR. HUNT.

Mr. John Hunt, a native of Washington, D. C., who came here with the Portsmouth Rifle Company when they came home from Florida after the Spanish war, was recently taken sick, and having no relatives living here, he was carried to the King's Daughters' Home for treatment. Yesterday he died. His remains were forwarded last night to Washington for interment. He has a wife living in that city. He was about 35 years of age and since he came from Florida he has been employed at work on St. Paul's new church.

HAVE NOT DECIDED TO CALL.

Monday night the vestry of Trinity Church will hold their regular monthly meeting. The matter of calling a pastor will be informally discussed, but at present the gentlemen have no one in view. There is no reason why a report should have been circulated, as no such a thought has been entertained. It will be some time before a pastor is selected.

BITTEN BY A DOG.
